ADVANCED PROBLEMS IN MECHANICS

XLVI INTERNATIONAL SUMMER SCHOOL-CONFERENCE

Dear Prof. Banichuk!

We would like to invite you to attend the 46th International Summer School-Conference "Advanced Problems in Mechanics - 2018" scheduled for June 25th– 30th 2018, which will be held in St. Petersburg, Russia.

It would be an honour for us if you could give a plenary lecture, and we are looking forward to your positive reply. We would also like to inform you that in this case you will be exempted from the registration fee.

The Advanced Problems in Mechanics 2018 International Summer School-Conference (APM'2018) will be organized by Peter the Great Saint Petersburg Polytechnic University (SPbPU) and Institute for Problems in Mechanical Engineering of Russian Academy of Sciences (IPME RAS). The main purpose of the conference is to gather specialists from the different branches of theoretical and applied mechanics to provide a platform for cross-fertilization of ideas, to discuss new models and non-standard problems in mechanics.

Looking forward to meeting you at the conference.

Yours sincerely,

Dmitry A. Indeitsev,
Dr. Sci., Professor, Corresponding Member of RAS,
Scientific Supervisor of IPME RAS,
Head of Dep. of Mechanics and Control Processes SPbPU,
Co-Chairman of the APM'2018 Scientific Committee

Professor Anton M. Krivtsov,
Dr. Sci., Corresponding Member of RAS,
Head of Dep. of Theoretical Mechanics SPbPU,
Head of laboratory Discrete models in mechanics IPME RAS,
Co-Chairman of the APM'2018 Scientific Committee
